

# YOU FRONT THE BAND - STAGE PLOT

front of stage

 VOCAL MONITOR

 ELECTRICAL OUTLET

 INSTRUMENT MIC

 VOCAL MIC

 DIRECT BOX

If only 2 monitor mixes are available, please put 1 and 2 on mix 1; 3 and 4 on mix 2. Boom mic stands are required for the musicians, straight stands are preferred for the two center front vocal mics.

If YFTB is providing stage sound, (monitors,) we will have two 1/4" main sends (L/R) for the front of house. We also can provide a video feed of the on-screen lyrics in VGA output. You will need a male VGA cable to connect to our distribution point on stage near the keyboards.

PLEASE CONTACT US WITH QUESTIONS! David Van Dusen - 916-832-4137 - [davy@johnnyfavorite.com](mailto:davy@johnnyfavorite.com)
